KC Blitz – Producer / Mixer / Remixer

KC Blitz is a production/DJ duo from North London. In their short time collaborating they have made strides into the industry producing and remixing a variety of artists including production for **Bring Me The Horizon** and **Pure Reason Revolution** and numerous remixes including **The Word Alive**, **The Boxer Rebellion**, **BMTH**, **Transmission Low** and Norma Jean.

Having just upgraded their studio with an array of vintage synths, they are busy at work on their debut EP and new remixes
